# Oak tree life cycle

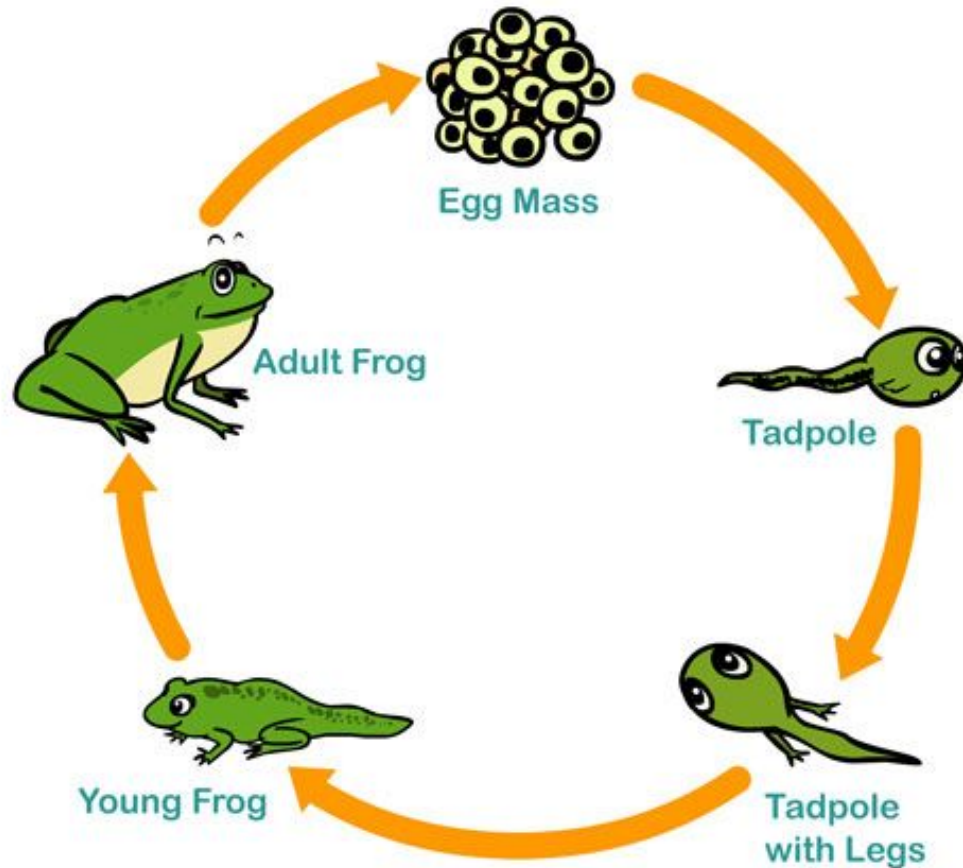

# Chicken life cycle

Chicken Life Cycle from LearnCreateLove.com I Do Not Redistribute

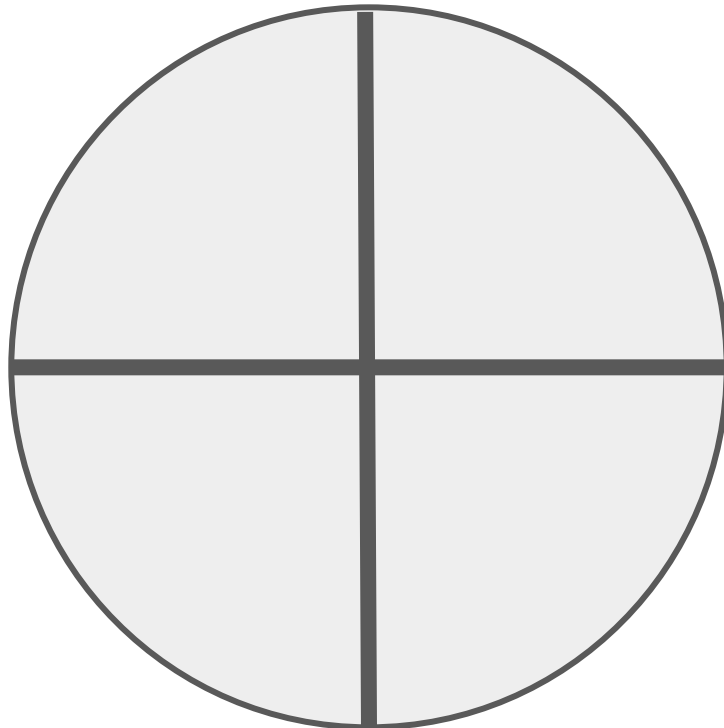

# Frog life cycle

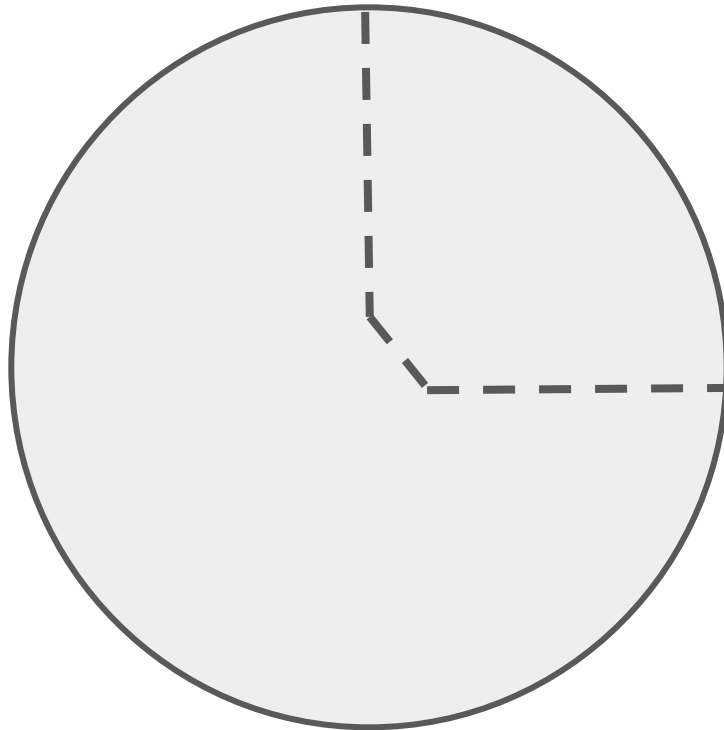

# Building a life cycle wheel

First, draw lines on one paper plate to make 4 sections.

# Building a life cycle wheel

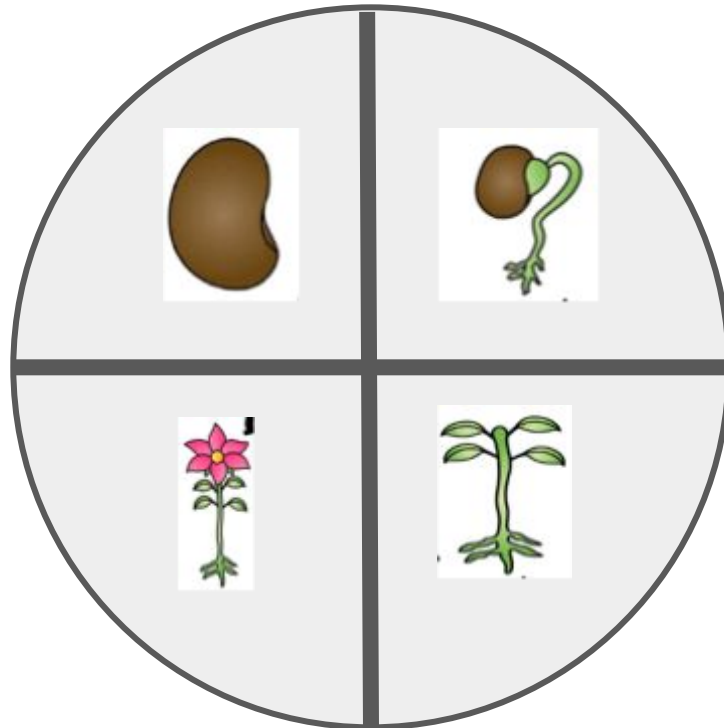

Next, cut out the other plate along the dotted line.

# Building a life cycle wheel

Cut out the pieces of the life cycle you want to make, and tape them to the plate with four sections.

# Building a life cycle wheel

Use a fastener to attach the two plates together. Decorate the top plate!
